If a student wishes to file an academic appeal, grievance, or general complaint, please visit the [College's website](#) for more information. Under Student Resources and Student Complaints/Appeals, information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

Students who register for classes are responsible for all fees associated with those classes. Students who decide not to attend or wish to withdraw from a class are responsible for dropping or withdrawing from class by the appropriate published date (see [Academic Calendar](#)). Students, who have not been identified by their instructor as never attending, will not be automatically dropped or withdrawn. Any student not dropped or withdrawn by the published dates will remain officially registered, liable for all fees, and assigned an earned grade at the end of the semester.

A course may be dropped only during the published add/drop period. The student may drop the course online through MyFGC or by submitting a form through the office of Enrollment Services. Dual Enrollment students should follow the established dual enrollment drop process.

To withdraw from a course, the student must complete the following before the published withdrawal deadline:

1. Complete the Withdrawal form and submit it to your instructor. The instructor should sign the form and fill in the last date of attendance.
2. The student must then meet with an academic advisor, who will sign the form. (Advising Services, Building 014).
3. Submit the form to the Director of Financial Aid or one of the Director's designees for signature.

4. Take the signed Withdrawal form to the Office of Enrollment Services for processing before the deadline for withdrawal.

A student will be permitted a maximum of two (2) withdrawals per course. Upon the third attempt, the student will not be permitted to withdraw and will receive a grade for the course. Students, who take courses off campus or have extenuating circumstances that prevent submission of Withdrawal form in person, must:

1. Obtain the instructor's authorization and last date of attendance via email
2. Email the advisor a statement requesting a withdrawal from the course and include the instructor's email with the last date of attendance.
3. The advisor will complete a withdrawal form, attach the emails from the student and instructor in lieu of signatures and forward the form to Financial Aid.
4. A Financial Aid representative will complete and sign the form and forward the form to Enrollment Services to be processed.

It is the student's responsibility to ensure that the required documents are submitted to the advisor prior to the designated withdrawal deadline and to understand all financial and academic implications of the withdrawal. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from his/her instructor.

Academic Honesty

Cheating, plagiarism, bribery, misrepresentation, and fabrication are not permitted and will be dealt with severely. Students should make themselves aware of the student code of conduct found in the Student Handbook.
