Term Guide for Banner Users

Banner term formats are six digits. The first four digits represent the year in which the academic year **will end** and the last two digits represent the term code.

The term code for fall is 10, spring is 20, and summer is 30. For example, fall 2012 is 201310. The academic year is 2012-2013, so it ends in 2013. The fall term code is 10. Below are some examples.
