APPLICATION PROCESS

The process was developed by the Criminal Justice Training Center at Florida Gateway College with the assistance of the Law Enforcement and Correctional Assessment Committees and the endorsement of the Criminal Justice Advisory Committee.

The Training Center Director and other college staff will review all applications. Florida Gateway College is authorized to and does have higher standards than the minimum standards set by FDLE. If the training center is in possession of any information that would lead us to believe the student will not be successful or in any way undermine the professional standards set by our training center then the applicant will be denied entrance to our programs.

At this point you may be disqualified for any of the following reasons:

- 1.) Insufficient scores on the BAT.
- 2.) Criminal history which will preclude certification by the State of Florida.
- 3.) Unfavorable background or criminal record, which will exclude the applicant from employment consideration.
- 4.) Incomplete or improperly filled out application forms.
- 5.) Any physical condition, which, without reasonable accommodations, precludes you from becoming a Law Enforcement or Correctional Officer.

Law Enforcement recruits must complete the run in under 19 minutes. Corrections recruits must complete the run in under 20 minutes. NOTICE OF SOCIAL SECURITY NUMBER USE

NOTIFICATION OF SOCIAL SECURITY NUMBER COLLECTION AND USE: In compliance with Florida Statute 119.071(5), Florida Gateway College issues this notification regarding the purpose of the collection and use of your Social Security number. FGC collects your Social Security number for use in performance of the college's duties and responsibilities. To protect your identity, FGC will secure your Social Security number from unauthorized access. FGC will never release your Social Security number to unauthorized parties, and each student at FGC will be issued a unique student identification number. Your unique student identification number is used for all educational purposes at Florida Gateway College including registration, access of your online record, etc. Federal legislation relating to the Hope Tax Credit requires that all postsecondary institutions report the Social Security number of all post-secondary students to the Internal Revenue Service (IRS). This IRS requirement makes it necessary for colleges to collect the Social Security number of every student. A student may refuse to disclose his/her Social Security number to the college, but refusing to comply with the federal requirement may result in fines established by the IRS. In addition to the federal reporting requirements, the public school system in Florida uses the Social Security number as a student identifier. This use is authorized in Florida Statute 229.559 and in School Code Section 1008.386. In a seamless K-20 educational system, it is beneficial for postsecondary institutions to have access to the same information for purposes of tracking and assisting students in the transition from one educational level to the next. All Social Security numbers are protected by federal regulations and are never released to unauthorized parties
