

A.S. Environmental Science Technology (64 Credits)

Guided Pathway: Associate of Science, Environmental Science Technology (FULL TIME).

For more information, visit www.fgc.edu and your academic advisor.

University Transfer: FGC Water Resources Management

The Associate in Science degree in Environmental Science Technology is designed for those who wish to enter the water resource management industry as well as experienced industry workers. This program can be the gateway to excellent career opportunities in an industry that is expected to grow as the population increases and is vital to the public health and economic development of the state and nation.

This is the sequence of courses for students interested in **environmental science**. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an **AS** degreeⁱⁱ. Courses that complete the degree are listed belowⁱⁱⁱ. As always, visit your academic advisor each semester to help you keep on track for graduation.

All AS degrees must satisfy the statewide Civic Literacy requirement for graduation. Please see the [catalog](#).

SEMESTER BY SEMESTER MAP FOR FULL- TIME STUDENTS
