Project Description:

Services are expected to include the reroofing of the Multi-Use Facility (Former Boys Club). Construction tasks for this project consist of, but are not limited to, roofing over existing metal roof of a 13,581 SF +-.

building, which will include the front canopy and extension on south side after gutter removal and removal of gymnasium ridge vents.

****Please note that this will be a federally funded project using Davis Bacon wages****

Right to Waive Irregularities and Technicalities:

Florida Gateway College reserves the right to waive minor irregularities and/or technicalities associated with this solicitation. The Director of Procurement & Contracts of Florida Gateway College shall be the final authority regarding waivers of irregularities and technicalities.
